Subject: **Low Income Apartment Notification**

We are writing to inform you that one or more Low Income Apartment Projects have been proposed in your community and school district. This Federal housing program allows low income tenants below market rates for certain communities. In Texas this program is administered by TDHCA in Austin. [www.tdhca.state.tx.us](http://www.tdhca.state.tx.us). Due to recent rule changes this may be the only notification you receive and the deadline for community comments is March 1<sup>st</sup> 2012. Your input is critical in determining which locations will be selected for these projects so we urge you contact the officials listed on the last page as soon as possible and let them know if you support or oppose these Low Income Apartment Projects.
